Pastor Filipe Guimaraes a missionary for the last 15 years, provided training and insight into holding foreign missions, as well as the needs of the local Sao Paulo area.

## Brazil Bible School Free English Classes

Continuing our service to our neighbors in Brazil, we launched our first international mission program providing Brazilians with free English classes.

This critical skill will support them in their missions work and provided them with an edge in job qualifications. With the support of our partners, this funding provided a monthly salary for two English teachers.
