Local Missions

Transitional Support

Helping Prevent and End Homelessness

During 2018 CTP was able to provide transitional support for two families. This allowed one to escape homelessness and the other to avoid it!

Project Bless a Family

Helping Mothers In-need for Christmas

With the launch of our Missions Board team, we were able to bless 3 single mothers for the holidays. During the season of giving we helped these families experience God's love in a tangible way.

India Missions Trip

Food – Provided for the Poorest

Food provided for the poorest communities near Tenali. The lepers and slums areas received much needed corn and grain.

Water – For a Local School and Clinic

The local villagers and school had to travel great distances to get fresh water. The local clinic would even run out and have to pause medical care. CTP provided a well at the local clinic for all to have nearby water supply.

Blankets – Blankets Given to Widows

CTP answered the request of the widows providing blankets to help keep them warm in their modest homes.

Food for India

Hope Home Orphanage Meals

Feeding Those Who've Lost Parents

In 2018 we continued our support of providing food to Hope Home Orphanage. During the mission trip to India I was able to eat this meal with them and pray for their needs.

Christmas Meal in India

Orphans, Widows, Elderly Get to Eat

We also provided food for Vision of Hope Ministries' Christmas celebration. Over 400 people enjoyed the Christmas story and dinner including orphans, widows, elderly and local members of the community.

Blankets for Bangladesh

Blankets for Bangladesh

Warmth for those with modest homes.

In December we supported Missionary Khokon Beapare's trip to the hilly area of Bangladesh by providing blankets for the poor. Many live in homes that offer little protection from the wind and cold.

Missionary Beapare who has been traveling to this area for several years delivered 20 blankets for us to families in need. Blankets were purchased locally to help the businesses there.
