Project Hope

With $1.48!
In June these beautiful children will be returning back to school, but not with the same supplies and resources that other children will have.

They spend the evenings sitting on the floor helping each other on their homework with the supplies they have available.
We’re working to raise $1500 ($80 per child) to support their back to school needs including:

- pencil box, pens, pencils
- pencil sharpener
- crayons, markers
- school books
- paper, notepads, notebooks
- clipboards
- backpacks, lunch boxes
- school clothes
Help us start their school year off the right way!
